HM FORCES DISCOUNT POLICY

This discount is designed to attract members of the regular Armed Forces of the United Kingdom who may be eligible for Continuity of Education Allowance (CEA). This discount does not apply to members of the reserve Armed Forces, even if actively serving.

A discount of 10% of the tuition fee (but not boarding fees) is offered. This award is discontinued for the term following the last date that an individual is an active member of the regular Armed Forces. In appropriate circumstances, a pupil may also qualify for a bursary or scholarship.
